Target Key Audiences With Green for Life Magazine

Green for Life Magazine is your top advertising choice if you need to reach Alberta's green industry market and enhance your brand reputation. Published quarterly by Landscape Alberta, *Green for Life* is a professional publication for the landscape horticultural trade.

The magazine discusses top issues, highlights the latest news, and presents compelling articles for Alberta's green industry, making *Green for Life* a key resource for industry professionals.

Available both online at www.landscape-alberta.com and in print, *Green for Life* gives your ad the reach it deserves. With print and digital magazines being sent directly into the hands of members and industry professionals, your ad is guaranteed to get noticed.

A Smart Buy

Focused Content

Industry-focused content keeps readers engaged, informed, and up-to-date on key industry topics.

Better Engagement

With direct online mailouts and print copies being sent to members, your ad gets noticed.

Members First
Landscape Alberta members receive a 15% discount on all ad rates.

Focused Audience

Target garden centres, landscape contractors, nurseries, sod growers, municipalities and more.

Better Rates

We're non-profit. Compare our rates to other media, and you'll see the difference.

Repeat Savings

The more issues you advertise in the more you save with better rates.

2022 LANDSCAPE AWARDS

Each year, we see beautiful, well-designed landscapes that truly showcase the best this industry has to offer. This year, stemming from 28 entries, there were 15 winners in the Merit category and 6 winners in the Excellence category.

We congratulate 2022 winners: Alpha Better Landscaping Inc., Delta Valley Landscaping Services Ltd., Jenron Creative Landscapes, JVR Landscape (2006) Inc., MaisonScapes, OnGrowing Works Ltd., Planta Landscape Inc., Salisbury Landscaping, Seasonal Impact Contracting Ltd., Terra Landscaping Ltd.

We would like to thank this year's volunteer judges for taking their assignment seriously and giving so generously of their time and expertise: Andrew MacDonald, Lucas Stevens, Jeff Wilson, Chris Chelcutti, Bill Hardy, Christian Houle, Nathan Gill, Andrew Heighon, Mark Janzen and Wade McArthur.

THE LANDSCAPE AWARDS PROGRAM

The Landscape Awards reflect the association's commitment to creating and preserving the beauty of the urban landscape. The program is also designed to reward independent landscape contracting professionals who execute top quality landscape projects.

The Landscape Awards program has four main objectives:

1. Encourage landscape contractors to be the best in their field
2. Provide a marketing opportunity to those companies that receive an award
3. Encourage a company's employees to aspire to excellence
4. Provide an opportunity to compete in the National Awards of Landscape Excellence

Members can enter projects into nine different categories covering construction, maintenance and design. Each entry is evaluated using a set of criteria; the submissions are not judged against each other. There are two award levels: a Merit Award goes to an entry that earns 70-84 points, and an excellence Award goes to an entry earning 85 or more points. Entries that achieve Excellence status are eligible to be selected for the National Awards of Landscape Excellence, a Canada-wide program developed by the Canadian Nursery Landscape Association.

We would also like to give a special thank you to Eagle Lake Nurseries and Oldcastle APG Canada West for being prize sponsors for the 2022 Landscape Awards.

The October/November/December issue of *Green for Life* Magazine is the official show guide for Landscape Alberta's Green Industry Show & Conference (GISC), which takes place mid-November.

This issue lists all of the trade show's exhibitors and their products, and it also contains a complete guide to the educational conference and other events.

1,500 copies are printed with 1,000 distributed to the green industry sector in advance. Copies are also provided on-site, free to conference and trade show attendees.

The GISC issue represents an excellent opportunity to reach new and expanded audiences.
