- Click-through rates are 10x those of standard display ads
- Has been demonstrated to increase business name searches by over 1000%
- 60% of viewers notice and consider purchasing products from retargeting ads
- Retargeted prospects are 43% more likely to convert than those served standard display ads

THE POWER OF RETARGETING

Our audience becomes your audience with retargeting. Get direct access to Landscape Alberta's and GISC's website visitors and retarget them with your company's ads that will showcase your brand anywhere they visit online.

Access Live Reporting on Your Ad's Performance

View the performance of your campaign in real time. Partners will receive a personalized link with analytics from the campaign.
