Position: Garden Center/Nursery Sales Associate (Seasonal)

Location: Cheyenne Tree Farms, Beaumont, Alberta

Season Duration: May – End of October

Join the Cheyenne Tree Farms team as a Garden Center/Nursery Sales Associate! In this customer-facing role, you'll guide customers in selecting their ideal plants, sharing your knowledge and passion for horticulture. Key responsibilities include assisting customers, outdoor tasks like pruning, weeding, watering, and loading/unloading trucks. This position requires strong communication skills, physical stamina (ability to lift up to 25kg), and a willingness to learn about plants. Prior experience in retail or horticulture is beneficial but not required. If you're enthusiastic, personable, and love working outdoors, apply today to help our customers create beautiful gardens!
