Position: Tree Nursery Production Worker (Seasonal)

Location: Cheyenne Tree Farms, Beaumont, Alberta

Season Duration: April – End of October

Cheyenne Tree Farms is hiring energetic Tree Nursery Production Workers to join us for the season! This outdoor role involves hands-on tasks including pruning, weeding, watering, planting, and maintaining our diverse tree nursery stock. You'll also be loading and unloading trucks with trees and shrubs, and performing physical tasks that require lifting up to 25kg. We seek individuals who are physically fit, comfortable with manual labor, and enjoy working in a dynamic, outdoor environment. While experience in horticulture or landscaping is a plus, it is not mandatory. Be part of our team and contribute to our growing nursery—apply now!
