About Us

Geradina Professional Gardeners is a Calgary-based company specializing in **high-quality residential garden maintenance**.

We focus on proper horticultural practices, plant health, and consistent results. Our work involves detailed garden care including pruning, perennial maintenance, planting, and seasonal garden management.

We are a **small, skilled team** that values reliability, attention to detail, and pride in workmanship. Our goal is to maintain beautiful gardens while creating a respectful and professional work environment.

Job Description

We are seeking an **experienced Gardener** to join our team for the 2026 season.

This is a hands-on role maintaining residential gardens across Calgary. You will work with a small professional team performing detailed garden maintenance and plant care on established landscapes.

This position is ideal for someone with **professional gardening experience or horticulture training** who enjoys working outdoors and takes pride in high-quality work.

Key Responsibilities

-  Perform professional garden maintenance including **weeding, planting, pruning, edging, deadheading, and mulching**
 -  Identify and properly care for **trees, shrubs, perennials, and annuals suited to Calgary's climate**
 -  Use and maintain hand tools and small power equipment (pruners, hedge trimmers, blowers, etc.)
 -  Assist with **seasonal garden clean-ups and ongoing maintenance visits**
 -  Perform physically demanding work including kneeling, crouching, bending, lifting, and repetitive tasks
 -  Work outdoors in varying weather conditions
 -  Follow daily schedules while maintaining consistent quality and attention to detail
-

Requirements

- ✓ **Minimum 2 years of professional gardening or landscape maintenance experience**
 - ✓ **Clean Class 5 Driver's License** (required)
 - ✓ **Smartphone required** for time tracking, scheduling, and job communication
 - ✓ Physically capable of full-day outdoor work
 - ✓ Reliable, punctual, and professional
 - ✓ Able to work independently and as part of a small team
 - ✓ Experience with residential garden maintenance tools and techniques
- Formal horticulture education is an asset but not required.**

Why Join Geradina?

☀️ **Living-Wage Pay:** \$26.50/hr minimum with increases based on experience, education and performance

☀️ **Consistent Seasonal Work:** Mid-April to early November

☀️ **Plant-Focused Work:** Work with established gardens rather than large construction sites

☀️ **Professional Environment:** Clear expectations, organized schedules, respectful culture

☀️ **Return Opportunities:** Strong performers are encouraged to return for future seasons
