

# We're Hiring - Join Our Team!

**Green T Design**, is a small Calgary-based landscape contracting company specializing in green roofs, living walls and sustainable landscapes. We are dedicated to the development of a healthier, more resilient future through thoughtful design of our urban landscapes.

We are currently looking for part-time to full-time assistance with both landscape maintenance and construction projects that we install, plant and maintain.

## Qualifications:

- > 18 yrs old with grade 12 minimum
- Trustworthy, respectful, self-started, team player with excellent work ethic
- Capable of physically demanding work outdoors
- Some work is on rooftops, accessed by ladders
- Valid driver's license required and own vehicle preferred
- Can drive between sites and carry tools
- Ability to document project tasks and time
- Working knowledge of spoken and written English
- Have own safety boots

**Salary:** Hourly, commensurate with experience

## Responsibilities:

- Maintenance of existing green roofs and sustainable landscapes (meadows, lawns, garden beds)
- Construction/planting new green roofs
- Planting perennials and shrubs
- Identify and hand removal of weeds
- Load/unload vehicles with tools including mowers, weed-whips, tools, ladders, etc.
- Work safely at all times
