

SUNSTAR NURSERIES LTD.

Position: Nursery Production Labourer

Sunstar Nurseries Ltd., a recognized grower and supplier of ornamental nursery stock, is currently seeking motivated individuals to work at our Tree Nursery located in Edmonton. **Seasonal full-time or part-time positions will be considered.**

Responsibilities include:

- digging and potting of trees, shrubs and perennials
- operation and maintenance of equipment
- sanitary control of nursery: weeding, cultivating, etc.
- irrigation
- planting, transplanting and pruning of trees and shrubs
- propagation of plants: seeding, cuttings, budding
- shipping and receiving
- numerous other related activities in the operation of a nursery.

Qualifications:

- **Good physical condition and ability to work in a variety of weather conditions are key attributes needed for this position.**
- A positive work ethic and attitude and willingness to learn are essential.
- Although no experience is necessary, previous experience and/or education in horticulture, especially related to the landscape and nursery industry will be an asset, but not required.
- The applicant should be able to take responsibility and work with a minimum of supervision and also as a team player.

Wages: \$19.50/hr – Higher wages considered for education/experience in horticulture

Start Date: Approximately April 13, 2026

Candidates should apply by submitting a current resume in confidence to:
