Job description:

Driver / Skid Steer Operator / Laborer

Three Seasons Landscaping

Seasonal Position: April 15, 2026 – End of Landscaping Season

Location: North of Ardrossan, AB (In Person)

Three Seasons Landscaping is seeking one dedicated team member to join our family-oriented, laid-back work environment. This role is well-suited for a semi-retired individual who enjoys staying active, working outdoors, and operating equipment.

Responsibilities

- Drive a single-axle International dump truck and trailer
- Load/unload and deliver materials to job sites and clients
- Assist onsite crews with landscaping installation tasks
- Perform basic small-engine maintenance such as oil changes
- Operate a skid steer for loading and unloading (buckets and forks)
- Complete additional tasks as assigned by the supervisor

Requirements

- Class 5 driver's license with at least 3 years of insurance coverage in your name
- Clean driver's abstract
- Standard First Aid certification (preferred)
- CSA-approved steel-toed boots
- Hard-walled work pants (jeans, Carhartt, etc.)
- Experience towing with a truck and trailer
- Skid steer experience (type of experience and number of years required)
- Ability to commute to our office north of Ardrossan (no public transit available)
- Mechanical/small-engine knowledge is an asset

Job Type

- Seasonal (approximately 6 months)

Benefits

- Company events

- On-site parking

Schedule

- Monday to Friday
- Weekends as needed

Application Questions

- How many years of truck-and-trailer towing experience do you have?
- What type of skid steer experience do you have, and how many years?
- Do you have 3 consecutive years of insurance under your own name?
- Are you able to reliably commute to our office north of Ardrossan?
