Protection of personal information is important to the Saskatchewan Nursery Landscape Association (Landscape Saskatchewan) and the Landscape Alberta Nursery Trades Association (Landscape Alberta). We have policies and procedures dealing with the protection of privacy. Our privacy policies comply with the requirements of the Personal Information Protection and Electronic Documents Act of Canada (PIPEDA). In the event that we do collect personal information, that information will only be used by us to administer member services and activities directly relating to the Associations. We disclose member information to the following third party: Canadian Nursery Landscape Association (CNLA). We disclose this information in order to provide member benefits. On occasion, we disclose member information to affinity group parties for the administration of group purchase/affinity programs available to our members only. Members consent to us collecting, using and disclosing personal information for the purposes outlined above by agreeing to provide us with the personal information. A complete copy of our Associations' Privacy Policy is available by calling 1-800-378-3198.
